## **NORTHERN QUEST CASINO TO OPEN SIX-STORY PARKING GARAGE NOV. 10**

SPOKANE, Wa. (Nov. 5) – The newest phase of an ambitious expansion program at Northern Quest Casino will be unveiled Nov. 10 with the opening of a 1,464-space parking garage, casino officials announced today.

“Although we’ve always had plenty of surface parking, one of the most frequent requests from our guests has been for covered parking,” said Phil Haugen, assistant general manager of Northern Quest Casino. “The opening of our new garage delivers on our promise to be responsive to our guests and make their visits to Northern Quest as convenient as possible.”

The six-story, \$17 million garage, which is among the largest in the region, will be followed early next year by the opening of a major expansion to Northern Quest Casino. The new construction is on the south side and will add more casino floor space and include several non-gaming amenities.

“Northern Quest Casino is expanding to meet the demands of area residents and visitors alike,” said Kent Caputo, chief operating officer of the Kalispel Tribal Economic Authority, the business arm of the Kalispel Tribe of Indians, which owns Northern Quest Casino.

“The Tribe plans to be at the forefront of exciting new

entertainment, lodging and tourism opportunities for the area," Caputo added.

To celebrate the opening of the new garage, Northern Quest Casino will hold a \$30,000 one-day promotion on Nov. 10.

Members of the casino's Camas Club can swipe their cards from 9 a.m. to midnight that day and become eligible to win free gifts, bonus points and also be included in prize drawings every 30 minutes.

The drawings will begin at 9:30 a.m. and last until midnight. Winners could receive prize packages valued between \$500 and \$3,000 in the form of gift cards from a variety of area merchants.

For more details about the promotion, visit the Camas Club desk at Northern Quest Casino.
