‘HOT AUGUST NIGHTS’ CELEBRATES MUSIC OF NEIL DIAMOND AT NORTHERN QUEST CASINO

SPOKANE, Wa. (May 12) – It’ll be a memorable Memorial Day weekend when the music of Neil Diamond is celebrated in the tribute show “Hot August Nights” May 24-25 at Northern Quest Casino.

Show times in the Pend Oreille Pavilion are 8:30 p.m. Saturday and Sunday. Tickets are \$30 and \$35 and are available at the Northern Quest box office at 509-481-6700 or through TicketsWest at (800) 325-7328 or ticketswest.com

“Hot August Nights” features Barrie Cunningham, who’s considered the world’s top Neil Diamond tribute artist. Cunningham looks and sounds like the legendary singer and songwriter as he performs songs that span the breadth of Diamond’s career from the 1960s to today.

The high-energy musical experience features songs like “Cherry Cherry,” “Sweet Caroline,” “Red Red Wine,” “Song Sung Blue,” “I Am... I Said,” “Holly Holy,” “Cracklin’ Rosie,” the patriotic “Coming to America” and more.

Supporting Cunningham on stage is the Hot August Nights band and The Diamond Girls, two talented backup singers.

Cunningham has performed for millions of people throughout the world in tribute shows like “Legends In Concert,” “The American Superstars” and “Superstars Live In Concert.”

“Hot August Nights” takes its name from Diamond’s 1972 double album. Additionally, the show title is also the first words to Diamond’s hit song “Brother Love’s Traveling Salvation Show.”
