

Kids Quest & Cyber Quest

This family-friendly entertainment destination caters to children of all ages! Located on the southeast end of the existing Northern Quest Resort & Casino, **Kids Quest** features an hourly children's entertainment center for children between the ages of 30 months and 12 years. **Cyber Quest** provides a fun, wholesome, interactive arcade experience for children of all ages (kids under the age of 13 must be accompanied by an adult) and their families.

Kids Quest Amenities:

- Apt. Q – a cozy kid-friendly living space complete with funky décor, books, movies, crafts and props for dramatic play.
- The Creation Station – an arts and crafts area to inspire imaginations.
- Sports Zone Gym – for physical activity and team play.
- Karaoke Star Stage – for young entertainers to sing and dance in costume, on-camera.
- Techno Quest – a game kiosk loaded with the latest in video and arcade entertainment.
- Quest Café – serving kid-friendly snacks, meals and beverages.
- Apple iPad multi-station game table – for tablet play and much, much more!

Facts about Kids Quest/Cyber Quest:

- Kids Quest and Cyber Quest are owned and operated by New Horizon Kids Quest, Inc., a family-owned business based in Plymouth, Minnesota. They will be leasing space at Northern Quest.
- First opened in 1992, Kids Quest and Cyber Quest are currently located in 13 different states and 21 casino resorts.
- Kids Quest and Cyber Quest are open 7 days a week, 365 days a year – including holidays!
- Kids Quest and Cyber Quest will employ approximately 20 to 25 full-time and part-time employees.
- Kids Quest employs children's entertainment and childcare specialists who are certified in CPR and First Aid practices.

Cyber Quest Amenities:

- Professionally supervised arcade featuring 70 of the very latest non-violent family-friendly games and attractions.
- Cyber Quest Prize Zone – for redeeming tickets earned by arcade play.
- Prizes include small toys to designer accessories and high-end technology devices.
- Cyber Quest uses an electronic card system for easy game play, which is environmentally sustainable.
